

ABOUT BOIS D'ARC LAKE

Bois d'Arc Lake is the first major reservoir to be built in Texas in over 30 years. Located in Fannin County, the lake is owned and operated by the North Texas Municipal Water District. While the lake's primary purpose is to provide drinking water to one of the fastest growing regions in the country, it also offers a variety of water-related recreation.

OUTDOOR FUN

Recreation at the lake includes:

- Fishing
- Boating
- Nature viewing
- Picnicking
- Hunting

Fishing and hunting are permitted on the lake in accordance with all state rules and regulations. *Visitors can obtain fishing and hunting licenses through the Texas Parks and Wildlife Department at www.tpwd.texas.gov.*

FAST FACTS ABOUT BOIS D'ARC LAKE

- Pronounced bo-da(r)k and named after the Bois d'Arc tree, a distinctive symbol for its special significance in the region and a way to honor local history.
- Open to boating, fishing and other water recreation — stocked with selectively bred largemouth bass and channel catfish.
- Three public access areas, each with parking lots, boat ramps, public restrooms and picnic tables (see map above).
- 172 miles of shoreline.
- Lake surface area equal to 26 square miles.
- Average depth of 22 ft. and maximum depth of 70 ft.
- Annual reliable water supply of 82 million gallons of water per day.*

*Annual reliable supply is the amount of water that can be supplied to cover water needs even during the driest conditions we have ever experienced.
