**Once a contractor has been selected. It is the responsibility of the contractor to upload insurance documents into MGO Connect referencing the adjacent property owner and project number on the insurance naming NTMWD as an additional insurer and a Waiver of Subrogation for all insurance coverage. Providing the correct insurance documentation is mandatory before any work can be performed on shoreline or on NTMWD property.**

**This list should not be interpreted as an endorsement of any contractor. It is merely a list of contractors who have met the minimum requirements to work on NTMWD property. This list should not be interpreted as an endorsement of or comment on the quality of the work performed. Landowners may use any contractor of their choice as long as the contractor meets NTMWD minimum requirements and is registered with NTMWD. Contractors who wish to register with NTMWD and be added to the registered contractor list can apply at MGO Connect <https://www.mgoconnect.org/cp?JID=391>.**
